Town Warrant

The State of New Hampshire

———————————

To the inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Hampton Falls on Tuesday, the seventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to amend the Hampton Falls Zoning Ordinance by omitting the following:

Article V, Section 3, C4

Exceptions

(4.) Waive the 40,000 square feet lot area requirements on lots served by either a public water system or a public sewage disposal system, where, after a thorough investigation of soil and drainage conditions, the Board finds that such an exception would not be detrimental in any way to the future health of the neighborhood.

4. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article III, Section 4, B, Yard Requirements, to read as follows:

B. Yard Requirements

(1.) Each structure shall be set back at least 50 feet from all lot lines, or at such distance as shall conform to the front lot line of existing buildings on adjacent property. Lots of record 40,000 square feet or less are exempt from this requirement and each structure thereon

shall be set back at least 25 feet from all lot lines.

5. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article III, Section 4, D3 (Accessory Uses), to read as follows:

(3) Any accessory use housed in a separate building shall be set back at least 50 feet from all lot lines and not to exceed 25 feet in height. Lots of record 40,000 square feet or less are exempt from this requirement and each structure thereon shall be set back at east 25 feet from all lot lines.

6. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article III, Section 6 (Nonconforming Uses), B Discontinuance, to read as follows:

(B.) Discontinuance. If a nonconforming use is discontinued for more than one year, any use to which the land, building or structure is subsequently put shall be according to the stipulations of this ordinance.

7. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article IV, Section 3 (Signs) by omitting the words, "3 feet in vertical dimension or" and "for each 50 feet or fraction thereof of lot frontage on the premises" in paragraph B., 1. (Flat Signs) now to read simply as follows:

(1.) Flat Sign. Signs for each business or establishment may be as large as 150 square feet in area. Only signs advertising an establishment or activity in the Town of Hampton Falls shall be permitted.

8. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article IV, Section 4, B. (Trailers and Mobile Homes), to read as follows:

(B.) A single travel trailer or camper owned by a resident but not used for residential purposes may be kept on the premises of said resident, provided, however, that such trailer remain mobile and unoccupied. Pickup campers may be stored but not occupied.

9. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article X, Section 1, (Definitions) Meaning of Certain Words, Junk Yard, to read as follows:

Junk Yard, Land and/or a structure or group of structures used for the collecting, storage, dismantling, salvaging, and sale of machinery, or 2 or more unregistered vehicles no longer intended or in condition for legal use on the highways as Amended REA 267-A:2, I 1965.

10. To see if the Town will vote to approve the following amendment to the Building Regulations, Section III Duties of the Applicant, A., to read as follows:

(A.) Any person, persons, partnership, or corporation intending to construct a new building or to make structural alterations shall first make application for a permit on forms obtained from the Building Inspector.

11. To see if the Town will vote to approve the following amendment to the Building Regulations, Section IV Application Fees, by changing the fees to read:

A Minimum of five dollars ($5.00) shall be charged for all permits issued with an additional fee of two dollars ($2.00) for each one thousand ($1,000) of estimated cost.

A Building permit shall become void unless operations are commenced within one year from the date of approval, unless such time is extended by the Building Inspector.

12. To see if the Town will vote to approve the following amendment to the Building Regulations, Section V. Payment of the Building Inspector in the Town, by changing the fee to read:

The Building Inspector shall be paid a fee of five dollars ($5.00) or forty percent of fees received for each permit, whichever is the larger. The Town Health Officer

shall be paid forty percent of the permit fee in cases where his services are required.

13. To see if the Town will vote to approve the following amendment to the Building Regulations, Section VI, Structural Requirements, No. 10, by adding the following to read as follows:

(10.) All structures shall be set on solid foundation of cement, brick, stone or other acceptable masonry; such foundations shall have adequate footings. All such foundations shall be waterproofed on the outside with two coats of No. 2 asphalt or equivalent in compliance with ASHO specifications. In special cases where buildings are to be used for accessory use, the Building Inspector may waive the requirements of this section and permit the use of wood, metal or masonry piers.

14. To see if the Town will vote to approve the following amendment to the Building Regulations, Section VI Structural Requirements, No. 13, to read as follows:

(13.) All dwellings and all commercial or public buildings shall be connected to the public sewer system when available. When a public system is not available, a private sewerage disposal system is required. The type, size, and construction of all sewerage disposal system and drainage fields shall be approved by the New Hampshire Water Supply and Pollution Control Commission and the Town Planning Board prior to the issuance of any building permit.

15. To see if the Town will vote to approve the following amendment to the Building Regulations, Section VI Structural Requirements, No. 14, to read as follows:

(14.) Minor alterations, repairs and general upkeep of existing buildings shall be exempt from the provisions of this ordinance.

16. To see if the Town will vote to add the following

amendment to the Building Regulations, Section VI Structural Requirements, to read as follows:

(15.) Safety glass, acrylic sheet or other shatter-resistant material shall be used on storm doors, sliding door, shower tub enclosures, and wall glass.

17. On petition of Donald L. Janvrin, Dorothy Dail, Lester Dennis, Donald E. Goodwin, Richard O. Swain, Louis B. Janvrin et al. (Not recommended by the Planning Board)

To see if the Town will vote to approve the following amendment to the Zoning Ordinance Amendment adopted March 10, 1970, to increase the Business District of the Town set forth in Article II, Section 2 (Zoning Map) as follows:

Article II, Section 2 (Zoning Map)

The Business District on the Zoning Map is declared to be 500 feet in depth from both sides of Route 1.

REPORT OF THE LIBRARY TRUSTEES

Among the activities during 1971 at the library were an exhibit of arts and crafts during Library Week, a summer reading program for children, a Bible Week display and a School-Library cooperative program.

The trustees are most grateful for the continued support of the Friends of the Library and of those who have contributed books, magazines and other materials. The Friends donated a book rack during the year.

Mrs. Melville has nearly completed her beautiful work of restoration of the walls and ceiling and the windows and wooden surfaces were painted by Mr. Welsh. The chandelier was rewired and painted by volunteers.

The Trustees wish to thank all those who contributed their time, talent and money towards the many activities and work parties during the year.

The library is open on Wednesday and Saturday afternoons from 2-5 and on Tuesday evenings from 7-9. All are welcome.

THE FRIENDS OF THE LIBRARY

The members of this group meet and work for the purpose of improving the facilities of the library and to assist the librarian in various tasks.

Interesting programs are presented at the monthly meetings which are held at 8 p.m. on the third Wednesday, with the exception of December and the summer months.

There were occasional work parties held to help Mrs. Ferriera mend and catalog books.

The April meeting is reserved for a book review contest sponsored by the Friends for the students of Lincoln Akerman.

In the Spring and Fall, food and handicraft sales were held. In April a very interesting exhibit was held in the library of various hobbies and antiques which was actively attended for a week.

Books and accessories were purchased with the earnings from the above and other projects.

All townspeople are extended an open invitation to join this useful and educational organization.

FIRE DEPARTMENT 1971

To you the people of Hampton Falls I want to again thank you for an even finer year than 1970, for this year we had fifty per cent fewer fires than last year. Everyone must be thinking FIRE and how to prevent it.

This year the department has purchased many more things to aid us in fighting fires. Some of the items are raincoats, boots, helmets, and also we bought an FM radio for the Engine I. This has been made possible by the hard work of the men and of the ladies auxiliary at our annual Village Green Fair and the Bean Suppers.

The Officers, the men, and myself, invite you the people of Hampton Falls to visit the station and look at your equipment. We meet the first Tuesday of each month and the other Tuesday nights we have a work party or drill on the equipment.

REPORT OF THE LADIES AUXILIARY
Of the Hampton Falls Volunteer Fire Department

The Ladies Auxilliary was successful in raising sums of money for our Fire Department in 1971.

Our Annual Fireman's Ball was held in February, also during February we held our joint meeting with the Firemen for a pot luck supper.

A Salad Supper was held in March with 32 members present.

The Village Green Fair was held on June 19 and again was a success.

We held a Rummage Sale on November 6 and a Food Sale on November 19.

During the year we also worked on the Ham & Bean Suppers and the Fire Warden's Supper.

During our December meeting we had our annual Yankee Swap.

We look forward to another successful year of combined enjoyment and the raising of money for our Fire Department.

Lucy E. Woodes,
Secretary

REPORT OF THE CONSERVATION COMMISSION

This has been another quiet year for your Conservation Commission. The only activity of note was the roadside clean-up which was again a big success. Your Commission would like to thank all participants for their help on the roadside clean-up and ask for your help again this year.

Our Town is very fortunate to have much open area. This open area attracts many new citizens. For this reason our open areas are shrinking rapidly. We felt it would be in the best interest of the Town to start at this time to consider purchase of property or gifts for a Town Forest. This step has been taken by many towns in New England. The future enjoyment of these areas by residents is immeasurable. The cost may be large but worthwhile to all citizens. The loss of this property to taxes would be minor compared to the future value to the town and its residents.

George F. Merrill,
Chairman

BOY'S CLUB

Dear Neighbors,

On behalf of the Boys Club directors I would like to extend my sincere appreciation for the cooperation given us during the 1st phase of building a recreational facility in the Seacoast Area. As you are aware the land has been acquired and preliminary plans have been submitted with actual construction planned for 1972. These facilities, when complete, will provide recreation for boys, girls, and adults in the community and with your continued support our goals will soon be come a reality.

HAMPTONS POST NO. 35

Gentlemen:

Following is an itemized list of expenditures as the result of American Legion activities on behalf of the town of Hampton Falls.

May 30, 1971

24 Geraniums	14.40
1 gr. American Flags (12x18)	29.50
1 gr. American Flags (4x6)	12.00
2 Grave Markers - 6.00	12.00
3 Grave Markers - 5.00	15.00
1 Grave Marker - no charge	——
Sound Car	10.00
2 Buses for WHS Band	13.00
	$105.90

Veterans Day, October 25, 1971

6 doz. American Flags (12x18)	$14.75
1 Wreath	5.00
Total	$125.65
Appropriation received for 1971	$200.00
Balance to carry over for 1972	74.35

Gentlemen: Again this year we would respectfully request the sum of two hundred dollars. This is the bad

year, one which we must go outside for a band. In 1971 for the first time in many years geraniums were not placed on every veterans grave. However again we found that some grave markers were missing. We would like to have more citizens take more of an interest in the cemeteries and to report any unwarranted acts to the police at once.

Please accept our deep appreciation for all the consideration of the citizens of Hampton Falls.

Respectfully submitted,
Roland W. Paige, for Post 35

1971 REPORT OF THE HAMPTON FALLS PLANNING BOARD

1971 was the busiest and most demanding year ever of your Planning Board. On record are 13 meetings, including 4 regular meetings, plus a number of unscheduled orientation meetings, plus a Special Town Meeting in June (with its required public hearings), plus public hearings on proposals for the 1972 Town Meeting. All in all, an extraordinary effort for an unpaid Board.

During the first half of the year, Mr. Thayer Edgerly, longtime valued member of the Board, retired and was replaced by Mr. Sherman Brickett. Thayer Edgerly served his Town well in many ways, and his fair-minded, moderate and deeply committed service on the Planning Board was a model and an inspiration to the Board members. This type of man is practically irreplaceable.

The high point of the year for the Planning Board was the Town's overwhelming support for the 2-acre minimum lot in June, an action which amounted to a mandate to your Board to try to control the growth of the Town and keep the Residence-Agricultural quality of living here intact. Your Board's often-stated purpose - atways in response to the will of the Town is, simply-stated, three-fold: 1. To keep down expenses to the Town, ergo property taxes, by keeping growth under control. 2. to maintain as much as possible the pace of pleasant rural living in the Town, now sorely beset by the commercial activities of its neighboring towns and 3. to protect older citizens on fixed incomes from exhorbitant property taxes which might force them out of Town. Industrial development, other than selected, small businesses not demanding water or services, must be carefully considered.

The proposed amendments for this warrant are mostly clarifications of the intent of the Ordinance. It is hoped that they will meet with the approval of the townspeople. As to enlarging the Business Zone of the Town, your Planning Board opposed this on the grounds that, on examination of the area involved, your Board feels that

not only would such an increase benefit few, but it would tend to alter the character of the Town in a negative way as in some other "border towns" in New Hampshire. Your Board also feels that tax benefits from such an action would not justify it when weighed against the balance. Your Planning Board is currently involved in litigation with Janvrin's Inc. which is petitioning Superior Court for a reversal of the Planning Board's denial of approval of the subdivision plan for Woodland Acres, Part II. Naturally, no comment can be made on this at this time.

Your Planning Board feels that the year ahead must be devoted to the refinement of your Zoning Ordinance, Building Regulations and Subdivision Regulations. It is a source of pride in the Town that, in the various meetings outside attended by members of your Board, Hampton Falls emerges as having the most sensible and protective Ordinance in the area. Your Board shall endeavor to maintain this balance by further attempting to conserve the Town's economy, protect its inhabitants, keep down property taxes, maintaining the Residence-Agricultural character of the Town, and making Hampton Falls a great place to live for young and old!

SUBDIVISION REGULATIONS INCLUDED WITH REPORT:

The following additions to the Subdivision Regulations of the Town of Hampton Falls, N.H., have been unanimously approved by the Hampton Falls Planning

Board in executive session on Friday, January 21, 1972:

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section IV, General Requirements for the Subdivision of Land, paragraph J. to read as follows:

3. In Subdivisions of 10 lots or greater, areas shall be set aside for parks and playgrounds to be dedicated or to be reserved for the common use of all property owners by covenant in the deed, whether or not required by the Board, and shall be a minimum of one house lot or six percent of the usable land area, whichever is greater, and shall be set aside for recreational use.

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section IV General Requirements for the Subdivision of Land, paragraph L to read as follows:

1. In areas not currently served by sewer systems, it shall be the responsibility of the subdivider or his or her agent to provide adequate information to prove that the area of each lot is adequate to permit the installation and operation of an individual sewage disposal system (i.e. septic tank and drain field). The subdivider or his or her agent shall be required to provide the necessary equipment and labor for the making of these tests which shall be witnessed in their entirety by a member of the Planning Board of its agent.

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section IV, paragraph M, 2, b, c, d., to read as follows:

b. The base course shall consist of bank run gra-

vel, free from loam or organic matter, to a thickness of at least 12 inches as specified by the State of New Hampshire Department of Public Works and Highways.

c.

The finish course shall consist of fine gravel as specified by the State of New Hampshire of Public Works and Highways.

d.

The surface shall consist of a miminum of two inches of bituminous concrete, Type I, applied in two courses of 1 inch each as specified by the State of New Hampshire Department of Public Works and Highways.

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section IV, General Requirements for the Subdivision of Land, paragraph M, 3 to read as follows:

3.

All proposed drainage facilities and culverts shown on the Final Plat shall be installed, natural water courses shall be cleaned and increased in size where necessary to take care of storm runoff, drainage swales at least three feet in width and 16 inches in depth at its midpoint below centerline grade shall be constructed in the street right-of-way on both sides of the paved roadway before building permits are issued. All work shall be carried out to the satisfaction of the Planning Board.

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section IV, General Requirements, Paragraph N. to read as follows:

N.

Before approval of a Subdivision by the Plan-

ning Board, there shall be filed a bond by the Subdivider in an amount sufficient to cover the cost of the preparation of the streets, drainage improvements, and the extension of public water and sewer lines if available. This bond shall be approved as to form and sureties by the Legal Counsel of the Town of Hampton Falls, and conditioned on the completion of such improvements within five years of the date of the Bond.

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section V, The Preliminary Layout, paragraph F., to read as follows:

F.

Where the topography is such as to make difficult the inclusion of any facilities mentioned above, within the public area so laid out, the preliminary layout shall show the boundaries of proposed permanent easements over or under private property. Such easements shall be not less than 20 feet in width and shall have satisfactory access to existing or proposed public ways.

To see if the Planning Board will vote to approve the following amendment to the Subdivision Regulations, Section VI The Final Plat, paragraph B, 4., to read as follows:

4.

Monuments constructed of concrete or stone at least four inches square at the top and 30 inches long shall be set at all block corners. Two bench marks of the same description as the monuments shall be set at opposite ends of the subdivision, whose tops are at an even foot in rederence to USGS datum planes.

ANNUAL REPORT
of the
SUPERINTENDENT OF SCHOOLS

To the School Boards and Citizens of Supervisory Union 921:

I submit, herewith, my annual report for the Hampton, Hampton Falls, New Castle, North Hampton, Rye, Seabrook, South Hampton, and Winnacunnet Co-operative School Districts.

Curriculum

I consider curriculum evaluation and development to be the most important responsibility of the school superintendency. I have not as yet had the involvement necessary to offer a comprehensive report. It will perhaps suffice to say for now that I am pleased at what the separate Districts are presently accomplishing and am confident that I will be able to contribute to further progress.

Student Enrollment

The following are the enrollment figures of the Union as of December 22, 1971:

Increasing student enrollment has become a spectre that haunts many of our communities. The continued influx of new families to new single and multi-family units plus turnover and conversion of existing properties is not going to lessen the problem. The facts are only too obvious - with with each new family moving in we have more children, who, in turn, require additional school space and staff members.

I have been very pleased since "coming aboard" in July to discover that Union #21 has, for the most part, staff members of exceptionally high caliber.

Most of our teachers that I have come in contact with are talented, dynamic, committed, and love teaching - all essential to the successful operation of our schools. That we have weaknesses and gaps goes without saying. These we shall have to rectify. The important thing is that we have the potential. We must do everything possible to keep those teachers we want in the Union and provide them with the kind of environment which will make their tasks a rewarding and fulfilling experience. No other profession will ever exert as much influence on our children as our teachers. It is imperative that we provide our communities with the kind of teachers who will assist us and our children in becoming truly human, who will help actualize all the potential of which they are capable. When all is said and done, there is nothing of greater importance in life.

To this end I have directed that principals become more involved in seeking and selecting new staff members and that efforts already in motion for better evaluative procedures continue.

The caliber of the principals in Union #21 is a credit to the separate boards and previous central office administrations.

Collective Bargaining

Collective bargaining involving teachers has caused much concern and frustration for school board members. It is my opinion that when both sides have mastered the subtleties of negotiations, teachers and the communities for which they labor will reap the benefits of mutual respect and trust. News reports to the contrary, teachers throughout the country are bargaining over issues that transcend the mere 'bread and butter' items we hear so much about. Those requests that bear directly on working conditions and professional improvement can only mean better teachers and a better learning environment. Time, I am certain, shall prove this to be true.

State Aid

A New Hampshire school superintendent's report would not be complete this year without a comment on the reductions in state aid we are experiencing. Every town in the Union is affected as the following synopsis indicates:

1. All funds for the intellectually retarded have been eliminated.

2. Reorganization Incentive Aid for the Winnacunnet Co-operative School District was cut from $34,072.50 to $11,404.84 for a $22,667.66 loss.

3. Historically the State has contributed 40 percent of funds necessary for teachers under the Federal Insurance Contribution Act. This has been eliminted and for only the last quarter of this fiscal year will cost our districts between $560.00 to $5,500 additional. Budget for the 1972-73 school year will reflect the entire cost.

4. The following reductions were made under the state building aid formula:

Hampton	$7,433.92
Hampton Falls	1,056.16
New Castle	269.62
North Hampton	3,370.28
Rye	3,653.16
Seabrook	4,347.35
Winnacunnet	30,478.26

In closing I would like to thank all students, staff members, board members and other townspeople for their cooperation, assistance, and patience over the past year.

Respectfully submitted,
Richard C. Hamilton
Superintendent of Schools
